

#INDIS2026

Asia Design Week 亚洲新锐艺术与设计大展

INDIS 2026 is an international conference hosted by IIT Guwahati that brings together global experts to explore design-led innovation for sustainable and inclusive futures. Featuring research presentations, student exhibitions, and industry collaboration, the conference also co-hosts **Asia Design Week**, creating a dynamic platform for creativity, knowledge exchange, and cross-cultural engagement.

Be part of what's next.

INDIS 2026 invites original contributions in four categories representing diverse forms of design and innovation scholarship. Submissions should demonstrate rigor, clarity of contribution, and relevance to design and innovation studies.

Submission Categories

INDIS 2026 invites original contributions across four categories:

Full Research Papers (Max 6 pages)

Completed research with theoretical or empirical contributions
Must include: research problem, methodology, findings, discussion
Strong emphasis on rigor and originality

Case Studies & Industry Papers (Max 6 pages)

Completed research with theoretical or empirical contributions
Must include: research problem, methodology, findings, discussion
Strong emphasis on rigor and originality

Research-through-Design (RtD) (Max 6 pages)

Knowledge generated through design practice
Must clearly explain:

- What knowledge was created
- How design led to it
- Why it matters beyond the project

Posters / Short Papers (Max 3 pages)

Early-stage research or emerging ideas
Includes: problem, approach, and preliminary insights

Publication

- Accepted papers published in Springer Proceedings
- Selected papers invited for journal publication
- Only registered & presented papers will be published
